

# A DECLARATION FOR RESTORATION OF NATO-RUSSIA RELATIONSHIPS IS NEEDED

**Vladimir Kozin**  
**Chief Adviser, Russian Institute for Strategic Studies**  
**Member, Russian Academy of Natural Sciences**  
**Professor, Russian Academy of Military Sciences**  
**Remarks at the BRYF in Tallinn, Estonia, November 5, 2015**

# USSR/RF-NATO RELATIONSHIP: **MAIN STAGES**

## THE DIFFERENCE BETWEEN THE COLD WAR 2.0 and THE COLD WAR 1.0

- ❖ **INTENSIFIED NATO MILITARY ACTIVITY NEAR RUSSIAN TERRITORY **BY 5 TIMES****
- ❖ **IT SLOWED DOWN THE OVERALL ARMS CONTROL PROCESS**
- ❖ **TRIGGERED ON A TOUGH WAR-FLAGGING RHETORIC VS RUSSIA**
- ❖ **MUCH TOUGHER ILLEGAL AND UNJUSTIFIED SANCTIONS HAVE BEEN IMPOSED VS RUSSIA**
- ❖ **ATTEMPTS TO OVERTHROW THE LEGAL AUTHORITIES IN POST-SOVIET STATES HAVE INTENSIFIED**

# CONTEMPORARY CHALLENGE: A DEEP-SEATED MISTRUST BETWEEN THE USA & RUSSIA IN THE MILITARY DOMAIN

## 15 MAJOR DIFFERENCES IN GLOBAL ARMS CONTROL BETWEEN RUSSIA & THE USA

1. US regional and global missile defense deployment.
2. **Conversion of the US SSBN into SSGN.**
3. No desire of the USA to count SOA stored in active reserve.
4. **US disagreement to control long-range nuclear-tipped SLCM.**
5. The US has no intention to proliferate INCSEA accord on strategic nuclear-powered submarines.
6. US still has tactical nuclear weapons in Europe – outside its territory.
7. US still has offensive nuclear doctrine (general nuclear deterrence and extended nuclear deterrence) – first nuclear strike.
8. No US intention to draft a new CFE (CFE-2).
9. No US desire to reach accord on PAROS.
10. **US has no wish to sign ASAT accord.**
11. Violation of the INF Treaty by the USA: testing BMD interceptors by using medium-range and “intermediate-range” ballistic missiles.
12. Operation “Baltic Air Policing” conducted by NATO during 24h/365 days
13. Still no ratification of the CTBT by the USA
14. **No limitations on combat armed UAVs**
15. No limitations on hypersonic conventional weapons with pin-point accuracy

A special **US-Russia's summit** is needed to tackle all arms control issues with a new US President after his inauguration in 2017

**An All-European Security & Cooperation Summit** should be also convened to debate all security-related issues that have direct bearing on Europe

# 8 WAYS TO DE-FREEZE RUSSIA-NATO TIES

1. NO FURTHER ENLARGEMENT OF NATO
2. REMOVAL OF EXTRA ADDED NATO MILITARY FORCES FROM EUROPE
3. PULLING BACK MISSILE DEFENSE BASES FROM ROMANIA AND POLAND
4. LOWERING NATO RELIANCE ON TNW
5. AVOIDING NATO SUPREMACY IN CONVENTIONAL FORCES
6. NO ARMS SUPPLIES + MORAL SUPPORT TO STATES WITH ANTI-RUSSIAN AMBITIONS
7. TO SCALE DOWN AIR & NAVAL ACTIVITY (+Baltic Air Policing Operation in the Baltic states)
8. NON-WEAPONIZATION OF OUTER SPACE
